

<b>Description</b>	Cartridge pressure regulator suitable for assembly block.		
<b>Media</b>	compressed air or non-corrosive gases		
<b>Supply pressure</b>	max. 12 bar		
<b>Adjustment</b>	Select the pressure regulator according to the desired outlet pressure. The outlet pressure cannot be subsequently adjusted. This safeguards against tampering.		
<b>Relieving function</b>	non-relieving		
<b>Temperature range</b>	-20 °C to 60 °C / -4 °F to 140 °F		
<b>Material</b>	Body: brass Elastomer: NBR	Piston: brass Filter: stainless steel
